

BANK VIEW HIGH SCHOOL

Easter Newsletter

Letter from the Headteacher

Dear Parents/Carers

Two thirds of the way through the school year, which is hard to believe! Many positive outcomes at Bank View High School have been recorded in this newsletter for your information.

The Sixth Form have recently moved to their recently refurbished annexe block and given them better facilities and greater independence.

Plans have been passed for a new entry porch in front of the existing main entrance. This will restrict visitor access and improve safeguarding. The build will take place over the summer holidays.

May I take this opportunity to thank you for your continued support and wish you a good Easter.

Class Merit Reward Trip

Year 7 were the lucky winners of this terms reward prize, a day at Pendle Ski Club in Clitheroe.

The class have worked hard since the start of the year to collect as many class merits as possible. Merits are awarded for good behaviour, following school rules, manners and any other qualities that demonstrate good citizenship within the school and the wider community.

All pupils had a wonderful day whizzing down the slopes on SNOWTUBES and SWISS BOBS! To conclude the day they were all treated to a MacDonal'd's!

Staff from the school and the ski club would like to thank all Year 7 pupils for a lovely day and we at Bank View would like to say a special thank you to all the staff from the club for giving up their time to make the day such a memorable one.
